

# Valor Volleyball Club Sponsorship-Donation Form

**Valor Volleyball Club Inc. is a non-profit 501(c)(3) organization.** We provide a youth sports volleyball program for boys – ages 11 to 18 – where they learn the values of teamwork, age-appropriate instruction, and honest principles in sportsmanship.

Valor is based out of Whittier and serves our youth and families in the Greater Whittier Area and surrounding cities in Los Angeles County.

Although we are an all-volunteer and non-profit organization, the cost of running such a program within the community continues to increase and thus the need for sponsors is great. Sponsorships are used to pay registration fees, program fees, local fees, and national fees, in addition to purchasing equipment, supplies, and materials, and to ultimately improve the volleyball experience for our boys. More importantly, for the single-parent families that cannot easily afford these weighing costs and recognize the value of youth sports.

As a sponsor to Valor, we hope that you and/or your organization will choose to realize the importance of teaching young men the values of youth sports and the valuable impact it can have on our boys and our society, and are asking that you become a stakeholder and invest in the future of our youth.
